

***Lady Creek Water System (LCWS)***  
***Mission Statement and Priorities***  
***January 18, 2021***

***Purpose of policy: The purpose of this policy is for the Board of Directors to clearly state the mission and priorities of the board in its governance of the system. This document was approved at the Board meeting on January 18, 2021***

**Mission Statement:**

The mission of Lady Creek Water System is to consistently and efficiently provide clean, safe water service to the member cabins at a reasonable cost.

***As a Water System, we make our decisions and conduct our actions guided by adherence to the following priorities:***

- Complying with all water quality requirements that are applicable to us.
- Providing members with water on a consistent and reliable basis, with minimal unplanned interruptions in service.
- Reducing total water use by finding and eliminating leaks as soon as practicable.
- Maintaining strong financial controls to stay within our annual budget.
- Maintaining a strong focus on the future needs of the system through preparation and execution of capital projects to maintain critical infrastructure.
- Consensus decision making whenever possible.
- Open discussion of issues and clear communication of decisions by the Board of Directors.
- The avoidance of conflicts of interest by the Board of Directors.
- Maintaining a strong and effective working relationship with the USDA-Forest Service.
